July 2022- December 2022

Scion R&D Thanjavur

Graphic & Web Designer

PROJECTS

Scion Invoices - I took charge of the entire process, from **user research**, identifying user pain points, ideating possible solutions, **wireframe** to **prototype**, and usability testing and visual design.

Know Your Leader - Conducted **UX research**, **visual Design**, final mockups, and worked in **frontend** development.

Scion R&D -Designed and developed a **website** for Scion R&D which helps to find new clients.

ACHIEVEMENTS

I excelled academically, topped my class, earned a **gold medal** for outstanding performance, and achieved a **First Class with Distinction**.
